Solid Waste Disclosure Statement v. 2020

The Waste Management Act requires that all haulers disclose the destination of your waste. Pursuant to Minnesota Statute 115A9302, Dem-Con hereby discloses that waste collected will be delivered to one of the following facilities during the time period January through December. If an additional facility becomes either a primary facility or an alternative facility during this period, the hauler is required to provide you with updated information within 30 days. In addition, the Minnesota Legislature requires Minnesota haulers to make the following disclosure to their customers:

You may be responsible for any liability that results from contamination at a facility where your waste has been deposited. Minnesota believes that its waste management system provides substantially more financial and environmental protection than depositing waste in landfills in other states. Managing your waste in Minnesota may minimize your potential liability.
